*^Teaching Professions	Waive 3 classes						6 credit hours		6 credit hours		
Welding			13 credit hours				12 credit hours				

Credit is granted by the college after the student passes the next higher-level class in their course sequence. Senior Career/College Tech Prep instructors certify the competencies achieved through use of the Career Passport issued to Career/Tech Prep Completers. Students must be continuing in a related college program in order to be considered for advanced standing, i.e. Early Childhood Education to Early Childhood Education. The colleges make the final determination on credit to be granted toward their Associate degree program.

*INDICATES College Tech Prep Programs. ^Indicates Career Transfer Assurance Guidelines (CTAGS) MANY PROGRAMS AT PIONEER HAVE CTAG CREDITS THAT ARE GOOD AT ANY STATE COLLEGE IN OHIO.
