- Mount Vernon Nazarene University – 4 Credit Hours
- North Central State College – 6 Credit Hours
- Ohio State University – 3 Credit Hours

Welding

- Columbus State College – 3 Credit Hours

Credit is granted by the college after the student passes the next higher-level class in their course sequence. Senior Career/College Tech Prep instructors certify the competencies achieved through use of the Career Passports issued to Career/Tech Prep Completers. Students must be continuing in a related college program in order to be considered of advanced standing, i.e. Early Childhood Education to Early Childhood Education. The colleges make the final determination on credit to be granted toward their Associate degree program.

ARTICULATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.
